

## FAMILY ACTIVITY FOR LENT, WEEK 2

**READ:** Luke 9:10-12 together.

### **DISCUSS:**

- What did you notice as you read this story? Did anything stick out for you?
- Share a time when something amazing happened to you that you could not believe?
- After reading Luke 9:18-20, why do you think Peter answered Jesus the way he did? Do you think it was because he had just seen the miracle of feeding 5,000+ people?

### **DO:**

Invite another family over for a meal this week or the next. Prepare enough food for your meal together as well as to each take another meal to neighbors or someone that could benefit from a pre-cooked meal. If your family would like to share with a shut-in family of Gloria Dei, please contact the church office at 281-333-4535.
